

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Providers must keep premises and equipment clean, and be aware of, and comply with, requirements of health and safety legislation (including hygiene requirements).

8.6 Animals in the setting

Policy statement

Children learn about the natural world, its animals and other living creatures, as part of the Learning and Development Requirements of the Early Years Foundation Stage. This may include contact with animals, or other living creatures, either in the Pre-School or on visits. We aim to ensure that this is in accordance with sensible hygiene and safety controls.

Procedures

Animals visiting the setting

- We ensure that animals visiting the setting are free from disease and safe to be with children, and do not pose a health risk.
- Outdoor footwear worn to visit farms are cleaned of mud and debris and should not be worn indoors.
- Children are taught correct handling and care of the animal or creature and are supervised.
- Children wash their hands after handling the animal or creature and do not have contact with animal soil or soiled bedding.
- Staff wear disposable gloves when cleaning housing or handling soiled bedding.
- If animals or creatures are brought in by visitors to show the children, they are the responsibility of their owner.
- The owner carries out a risk assessment, detailing how the animal or creature is to be handled and how any safety or hygiene issues will be addressed.

Visits to farms

- Before a visit to a farm, a risk assessment is carried out - this may take account of safety factors listed in the farm's own risk assessment, which should be viewed.

The outings procedure is followed.

- Children wash their hands after contact with animals.
- Outdoor footwear worn to visit farms is cleaned of mud and debris and should not be worn indoors.
