

Sessions January 2021

Morning and Afternoon Session

Drop off/Collection:

Children will enter via the front door on Main Street. One adult will greet children and direct through to the other waiting adult in the cloakroom area where they will supervise hand washing.

Children will wash hands at the end of session and line up in the corridor and messy room. One adult will supervise and one will allow children to leave one at a time via the front door on Main Street.

Hand Washing:

Children will wash hands when entering the building at the start of session and when returning inside from the garden area. As well as before snack and after toileting. Children will also wash hands before leaving at the end of session.

Cleaning:

Staff will wipe & clean resources when children are finished playing. Staff will clean toilet area as needed. Staff will clean and disinfect all resources/surfaces used during session when the children leave. Normal cleaning will take place each evening.
